

1986 Church Dartball League All Star Game Results

The Church Dartball League all star game series was played on December 16th at the Second Congregational Church. The team captains were Ray Luttig of Faith Lutheran for the National League and Don Pittinger of Calvary Lutheran for the American League. Each team selected their top two players to play in the all star game with the players from the Midwest division being assigned to the American League and National League teams by a draw.

The National League captured the annual best-of-three series in two straight games.

Lloyd Jero of the Atonement Rejects lead all hitters with eight hits in ten at-bats for a .800 batting average. He played for the National League team.

Tim Battist of the Messiah Chiefs lead the American league with 5 hits in ten times at bat for a .500 batting average.
